The Governor's Office of Economic Development PTAC Office, World Trade Center Utah and Logistic Specialties, Inc. are excited to invite you to learn about

International Government Contracts with the Millennium Challenge Corporation (MCC) Wednesday, July 20, 2016

Why Should I Attend?

MCC Procurement Officials will present the procedures for participating in MCC funding opportunities available to US companies both within the US as well as in foreign countries.

An independent U.S. government agency that partners with well-governed countries worldwide to fight poverty through sustainable economic growth, MCC is active in a wide variety of sectors throughout the world and offers opportunities for private sector engagement. MCC is changing how best to deliver smart U.S. foreign assistance by focusing on good policies, country ownership, and results. **MCC will be providing current requirements and opportunities available for bid.**

MCC is a prime example of smart U.S. Government in action, benefiting both developing countries and U.S. taxpayers through: Competitive selection, Country-led solutions and County-led implementation.
