Bell Built Grant	Mountain biking trail projects	The funding will go to a mountain bike trail project designed for "the next generation" of riders. Mountain bike parks and ride centers are the ideal project.	Not specified	Not specified
Petzl Foundation	Protection for natural or leisure area with a link to outdoor activities such as rock climbing or mountaineering	Acting on behalf of the environment was already part of the Petzl company's practices. The Petzl Foundation supports projects while focusing on the balance between man and his cultural, economic and ecological environment. Beyond offering only financial support, the Petzl Foundation will follow you through your project.	Not specified	Not specified
Specialized Dealer Grant Program	Grants given in various areas: Bike education and programs, outdoor stewardship, trail conservation & cycling infrastructure	Priorities based on Specialized's vision for a healthier future. We envision a future where everyone has access to bikes – a future that includes more fun and safe places to ride bikes— and a future that has more people riding, rather than driving. In an effort to work towards this better future, we've named 4 distinct grant categories where you and your cycling community can help us make the world a better place – one bike at a time.	Not specified	Not specified
Lowe's Toolbox for Education	School-oriented grants which can be used to make school-ground nature trails, reading gardens, fitness areas or vegetable gardens, etc.	To build better communities and schools	Not specified	Not specified

Bell Built Grant	The mountain bike trail project needs to be well planned, something that will capture the imagination of social media savvy voters	Projects are submitted early in the calendar year. The top projects will then be decided by voting via social media (in the spring).	Projects do not need local matching funds, but do require winning a popular vote for that region of the US (Utah would be in the West Coast region)	Apply online	http://www.bellhelmets.com/bellbuilt/
Petzl Foundation	Project should be proposed by non-profit organization and directly involve the public. Project will focus on core problems that relate to preventative action.	Grants are awarded once a year with applications due by September 30	Not specified	Apply by email to: info@fondation-petzl.org	http://www.fondation-petzl.org/en/propose-proiect
Specialized Dealer Grant Program	Communities should work with an authorized Specialized dealer as a partner. Only the authorized dealer can submit the application	The fiscal year for the community grant program begins July 1 and there are three application deadlines throughout the year.	Must be partnered with local Specialized dealer	Dealer applies on Specialized B2B website	http://www.specialized.com/OA_MEDIA/whatsnew/Watts_Community_grant_toolkit_v3.pdf
Lowe's Toolbox for Education	Applications accepted from any individual public K-12 school or non-profit parent group associated with that public K-12 school. Preference for funding requests that have a permanent impact such as facility enhancement (both indoor and outdoor) as well as landscaping/clean up type projects	Applications due before October 15th	Not specified	Apply online	www.toolboxforeducation.com

Bell Built Grant	Three regional winners will split \$100,000	Active
Petzl Foundation	Varies	Active
Specialized Dealer Grant Programs	For each application period ten \$5000 grants will be awarded to different projects and programs	Active
Lowes Toolbox for Education	Up to \$5000	Active
