Who is DFCM
Division of Facilities Construction and Management

The Construction Management section of DFCM is responsible for constructing state facilities.
After buildings are approved and funded by the Utah State Legislature, the Construction Management Team is responsible for the following:
• Establish Capital Budget Estimate (CBE)
• Architect or Engineer Procurement
• Construction Procurement
• Value Management
• Oversee Design and Construction
• Building Operations & Maintenance Training
• Monitor Warranty Period
• High Performance Building Standards
• Provide Support
Capital Improvement Projects

If a project’s total budget is less than $3.5 million, or if the project is less than $500,000 of new space, or if it’s an infrastructure upgrade with a budget of less than $7.5M, it’s an improvement project. Any roofing, paving, hazmat, remodel, or even a new project that meets these criteria falls into this category. Work includes civil, utility, parks, courts, jails, armories, schools, general, mechanical, and electrical.
How to Become a DFCM Pre-qualified Contractor

- Create a U3P account
  - The first step to doing work for DFCM is to create a U3P account (the State’s supplier portal). Not only do we post solicitation for our jobs on U3P, we also post solicitations for contractors to be added to our Pre-qualified Contractor’s list as well. Many of our jobs are only available to contractors on our Pre-qualified list.
Select the appropriate DFCM commodity code when creating your account

Watch for a solicitation on U3P

- All of DFCM’s pre-qualification solicitation will be run through the State’s Utah Public Procurement Place (U3P).
- The solicitation is advertised every 6 months
  - December to qualify in January
  - June to qualify in July.
Know and submit your documents on time

- You will need to submit your documents by the date and time listed in the solicitation’s project schedule.
- Pay close attention to the schedule of events and their deadlines.
DFCM reviews your submission

- DFCM evaluated your documents based on the requested criteria in the solicitation to determine if you qualify.
- If you are pre-qualified, you can begin bidding on jobs with DFCM.
