

Utah's Every Kid Outdoors (EKO) Initiative

Get excited to explore Utah with this new initiative from the Utah Office of Outdoor Recreation. Grab family or friends and head outside!

Every kid should have the opportunity to:

- Observe nature and wildlife in Utah
 - Explore Utah's parks, public lands, and wild places
 - Experience the Greatest Snow on Earth
 - Gaze at the starry sky
 - Bring along a friend to nearby nature
 - Splash in Utah's rivers, lakes and streams
 - Follow a trail
 - Plant a seed
 - Play on Utah's rocks and mountains
 - Be a steward and take care of Utah's outdoor places
-

These 10 activities can be done in your backyard, a city, National or State Park or in the thousands of acres of US Forest Service and BLM lands we are lucky to have here in Utah. Get creative and see if you can check them all off this year! To find out more and download our free EKO Explorer Activity Passport, please visit business.utah.gov/outdoor/eko.
