

Economic Assistance Grant - FY 2026

Application Questions

BUSINESS INFORMATION

- Describe your type of business.
- Is your business registered with the Utah Division of Corporations and Commercial Code? (Upload proof of current registration)
- What is the primary industry your business serves?
- In which Utah county is the business headquartered?
- Provide prior year and current year income statements, balance sheets, and profit and loss statements
- Submit a completed and signed W-9 (the Information must match what is on file with the IRS and be the same business address listed in this application. The address will be used to mail grant funds).

PROJECT DESCRIPTION

- Provide a scope of work detailing the proposed project, the type of work done, how the project will be completed, and the overall goals and benchmarks.
- Does your project support targeted industries within your region or the state?
 - If yes, then how?
- Upload any documentation that supports the project proposal and deliverables (up to three one-page documents)
- What is the expected completion date of this project? (Must be completed within 18 months)

DELIVERABLES & PERFORMANCE MEASURES

- Describe the expected results of the completed project.
- Identify key metrics that will be used to measure the project's success.

BUDGET

- What is the total cost of the proposed project?
- Select a funding Tier under which your funding request fits
 - Tier 1 — grant requests up to and including \$50,000
 - Tier 2 — grant requests greater than \$50,000, up to and including \$100,000
 - Tier 3 — grant requests greater than \$100,000, up to a maximum award of \$200,000
- How much grant funding are you requesting?
- Provide a budget narrative describing project costs, how the grant funds will be used, and any sources of matching funds.
- Provide an itemized, detailed project budget in spreadsheet form that includes all project costs and funding sources.
