# CMMC Compliance Workshop

**Jan. 20, 2026**  
**10–11:30 a.m.**

World Trade Center at City Creek | 60 E. South Temple, Salt Lake City

**Effective Nov. 10, 2025, the Cybersecurity Maturity Model Certification (CMMC) is required for DoD prime and subcontractors.**

- Join us to learn what it means for your business and how to navigate CMMC compliance.
- Understand the three compliance levels, what each requires, and the timelines for implementation.
- Get connected to organizations that can support you in becoming CMMC certified.

**There is no cost to attend. Register today.**
